The New Charlestown High School opened in 1978 replacing the former building which opened 1907.

Is learning to smile part of Mrs. Butler's dance curriculum? If so, this class has learned it well.

A.F.J.R.O.T.C. members Melisa Levine, Daniel Elias, Almatine Lewis, Albert Moschella, Jermeal Williams, and Jason Brown at their annual get acquainted breakfast.

When we entered the auditorium, we didn't know what to expect. We were excited and nervous at the same time. We thought- "If I can make it through today without making a fool out of myself, I'll be fine. Right? Wrong. School isn't that predictable. We learned that the hard way. We've been through everything from jokes, boy-friends and girlfriends to detention, fights, and cutting classes. You name it, We've done it.

School has been fun- but it was hard. We all wanted to quit one time or another. We wanted to have more time to hang out with our friends and go to parties. Some of us did quit but most of us made it to the 12th grade. But either way, we'll all have our own wild stories about high school. Over the past four years we've come to know just about everybody. We know all the teachers, and we know the building inside and out. We've made lots of friends, and almost as many enemies.

Most of us say we have no idea what we're going to be when we grow up. Well, we've grown up now, and we still don't know. When we leave high school- some of us will be going to college,

Walter Acosta listens intently to Mrs. Yu's math instructions.

while others will be pusuing their lives in different ways. It's scary to think about it because most of us will be going out on our own for the first time in our lives. We'll have new responsibilities and we'll be making our own decisions.

But one thing's for sure - we'll all remember our high school years. When asked what they'll remember about Charlestown high, most of the seniors didn't have an answer. Come on now - we'll all remember *something*. Maybe it was a stupid question, because everybody will have their own memories about Charlestown High. The good times, the bad times; our friends and our enemies. Most of all, we'll remember how much fun it was. Believe it or not, someday you might miss high school. It's tough out there, and we won't realize how good we've had it until we're out on own.

Remember to always try your hardest, to be the best at whatever you chose to become. **DON'T FORGET EACH OTHER.**

GOING GOING GONE

The morning rush-
I'm late, I'm late
For a very important date
No time to say hello-
Goodbye
I'm late!
I'm late!
I'm late!

Although we have 4 minutes to get to class it seems as though all 1000 students try to pass through the 4th floor central landing at the same time. It gets so crowded there that it can take 2 minutes to go 10 feet. The mob scene on the 4th floor landing makes it more difficult to go from 415 to room 405 than it does to go from room 415 to the gym.

Maybe this is all part of our education and these mini-rush hours are just preparing us for the real ones on the express-way.

No you don't have fuzzy vision, its just Ahmed Nevarez Ruiz and Tito Acevedo hurrying to class-if you can believe that. That's Rainey McFadden in the background.

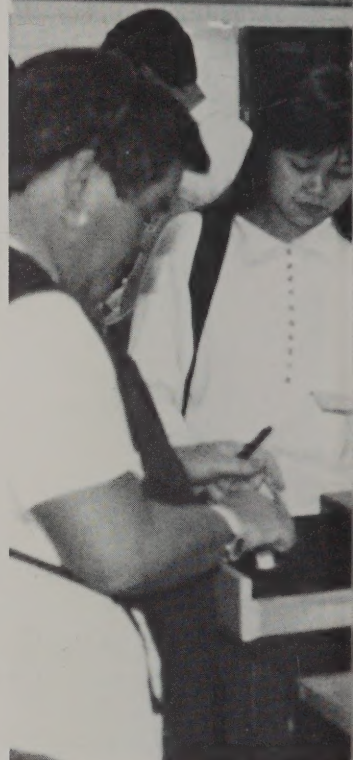

Hi Tim! Tim O'Brien (waving) with (l. to r.) Sean Kelleher, Ryan Hennessey, and Shawn Fritz take a between class break.

We suspect that students have been complaining about school lunch for as long as there have been school lunches . . .

No, I will not share!

Hit it Ryan! "Now here's a little story about a man named Jed . . ."

Is lunch that bad Jason, that you have to keep your eyes closed?

Doesn't seem too crowded —

Have a good game, don't take anything personally.

Good grief! There's nowhere to go!

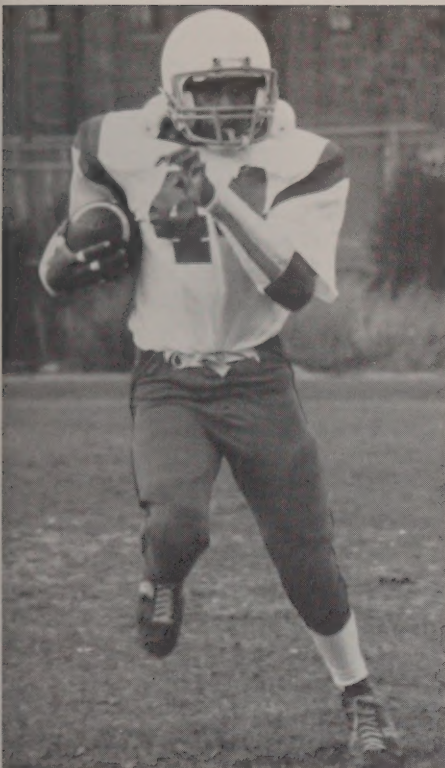

This year's, 1990, football team had a disappointing season. Its record was 2 and 6. The captains this year were Chris Davis, Marc Dollosa, and Frank Gochakowski. The coach Mr. Green was ably assisted by Mr. Richards and Mr. Sheeran.

Our team did show promise. We almost beat Boston English bouncing back from our loss to Jeremiah Burke the week before. Our team played well the whole game, but they couldn't pull out the big **W**. We have a lot of good, young, and very talented players coming back. Malik Winder, Dicki Centola, and Chris Brennan will be the leaders for next season, and I wish them the best of luck.

The Charlestown High School Soccer team led by captains Erick Rivera, Mauricio Ortiz, and Edgar Acosta had a fairly good season with a record of 7 and 4.

"We could have done better with the talent we have" says captain Erick Rivera. Captain Mauricio Ortiz points out that we were the only team that gave "Madison Park headaches" He also says "... we were a young team (and) proud of how we played.

On your mark, get set-GO!

How does he do that?

Excuse me!

Another point!!!

During 1991 Charlestown High has had a very successful season, while destroying other teams. I'm talking about the varsity basketball team led by coach Hamilton. The enthusiastic team ended this season with a record of 14-3.

Defense is stronger than ever, six 6 footers grabbing a majority of rebounds, the speed has increased and better decisions are being made during play.

Offense has always been good, and this year even more players seem to be scoring. It also looks as if more assists are helping to rack up points. Charlestown has put together an outstanding varsity basketball team, and the whole school is very proud of them.

A disappointing 8 and 4 record marks the 1991 girl's basketball season. However, the girls were never gave up, even when they were behind. With several returning players the squad hopes to reverse its record in 1992.

Great try Majalia.

I can't believe she can jump that high.

For the second straight season Charlestown High Hockey has finished in first place with an overall record of 13 and 2.

The team, lead by seniors Marc Dollosa, Billy Kempton, Jamie McLaughlin, Joey Fitzgerald, Chris Rizzo, Mike Doherty, and Ed Castronova captured their second straight Boston City Championship. The excellent goaltending of junior, Rich Centola, was certainly a major factor. Rich had a 1.23 goals against average and 8 shut-outs. Senior Captain Billy Kempton lead the city in scoring, with teammates Anthony Matson and Captain in Jamie McLaughlin combined a total of 95 points.

Billy Kempton wins the face off.

No, Anthony Matson isn't lost.

The 1991 Swim team (men's) finished the season with a disappointing 3 and 14 record. However, with only five members, four of whom will return next season, perhaps the record is not so bad after all. Let's hope that more swimmers will try out for the 92 team.
